

Shove

L7

Bill collector called today, shove
IRS is on my case, shove
My boss says I should comb my hair, shove
My father thinks that I'm nowhere
Get out of my way or I might shove
Get out of my way or I'm gonna shove
Landlord doesn't like my dog, shove
My eyes are burning from the smog, shove
The neighbors say I jam too loud, shove
America thinks it should be proud
Some guy just pinched my ass, shove
Drunken bums ain't go no class, shove
The club says I won't get paid, shove
It's been months since I've been laid
