

# Perry Mason

## Ozzy Osbourne

On his way to dinner when it took him by surprise  
And with one pull of the trigger he would vanish overnight  
Dancing by the roadside, holding on for dear life  
Then a gun from out of nowhere made a widow of his wife  
I don't mind, single file down the runway  
Feelin' fine and I'll see you my friend  
Over and over again  
Who can we get on the case?  
We need Perry Mason  
Someone to put you in place  
Calling Perry Mason again, again  
Riding painted horses, oh the kids they love it so  
You can see it on their faces, how they love the wind to blow  
Minding my own business like my Mama always said  
But if I don't try to help 'em they could wind up on the front page  
I don't mind, draw the line then draw me an arrow

Feelin' fine then I'll see you my friend  
Over and over again  
Who can we get on the case?  
We need Perry Mason  
Someone to put you in place  
Calling Perry Mason again, again  
Wake me when it's over, tell me it's all right  
Just keep on talking baby, I've been doing this all night  
How much did you give me? Tell me it'll be all right  
Then I'll see you my friend  
Over and over again  
Who can we get on this case?  
We need Perry Mason  
Someone to put you in place  
Calling Perry Mason again, again, again, again
