Iced Earth

Forgotten son, testing all our fears
Nature's mistake, he sees no end
The dragon's child, walks among manFor centuries past, many tribes know the tales
Of men not returning, when they've gone there
And those who've returned, can't describe what they've seen
Their hair has turned white, and they've gone insaneChorus:
Oh, beware the blackend water
The creature has come to take you away
Oh, beware unholy water
On this dying day
