# No Less

## No Less

I want to give you no less
Every word that I have ever said
Is it true or just what's in my head
I can say my life is in Your hands

But You're askin' me where do I stand
Will they see if I am serious
When it comes to me who do I really trust
I want to give my all and no less

I want to live my life with no regrets
I'll listen to the call
'Cause You gave it all
So when You put me to the test

I'm gonna give You no less
want to live the dream inside of me
See the plan for who I'm meant to be
Doing all the things I know I can

Not just wishing that I had
Pushin' on and never givin' up
Any less is never gonna be enough
I want to give my all and no less

I want to live my life with no regrets
I'll listen to the call
'Cause You gave it all
So when You put me to the test

I'm gonna give You no less
You felt so much pain
It's hard to believe
You gave so much away

You came to me with nothing to gain
You offered your best
Jesus You gave Yourself
And now I am giving You no less

Want to give You everything
Nothing holding back
want to show You just what I mean
Doesn't matter what they say

No, I don't care about that
You're the only One that I need
I want to give my all and no less
I want to live my life with no regrets

I'll listen to the call
'Cause You gave it all
So when You put me to the test
I'm gonna give You no less
