

World

Bee Gees

Now, I found that the world is round
And of course it rains everydayLiving tomorrow, where in the world will I be tomorrow?
How far am I able to see?
Or am I needed here?Now, I have found that the world is round
And of course it rains everydayIf I remember all of the things I have done
I'd remember all of the times I've gone wrong
Why do they keep me here?Now, I have found that the world is round
And of course it rains everydayAnd now, I've found that the world is round
And of course it rains everydayAnd now, I've found that the world is round
And of course it rains everydayAnd now, I've found that the world is round
