

# Rumors (Re-Recorded / Remastered)

## Club Nouveau

How do rumors get started?  
They're started by the jealous people and  
they get mad about something had, and somebody else is holding  
They tell me that temptation is very hard to  
resist  
These wicked women, oh they just persist  
Maybe you think its cute, but girl I'm not impressed  
I tell you one time only with my business please don't mess  
Look at all these rumors running me everyday  
I just need some time some time to get away from  
From all these rumors I cant take it no more  
My best friend say did you hear the one about me  
and the girl next door? Did you hear the one about Tina?  
Some say shes much too loose  
That came straight from a guy who claims hes tasting her juice  
Did you hear the one about Michael?  
Some say he must be gay  
I tried to argue but they said if he were straight he wouldn't move that way  
Did you hear the one about Susan?  
some say shes just a tease  
in a camosal shes six feet tall shell knock you to you knees  
Look at all these rumors running me everyday  
I just need some time some time to get away from  
From all these rumors I cant take it no more  
My best friend say did you hear the one about me  
and the girl next door? I cant go no place without somebody pointin' a finger  
I cant show my face cuz when it comes to rumors I'm a dead ringer  
It seems from rumors I just can't get away  
I bet there'll even be rumors floatin' around on Judgment Day  
I'll think I'll write my congressman and tell him  
to pass a bill  
For the next time they catch somebody startin' rumors, shoot to kill  
Will you look at all these rumors surroundin'  
me every day  
I just need some time, some time to get away from  
From all these rumors, I can't take it no more  
My best friend said there's one out now about me and the girl next door  
What's mine is mine, I ain't got time for  
rumors in my life  
I'm a man who thinks, not a man who drinks, so please let me live my life  
What's mine is mine, I ain't got time  
for rumors in my life  
I'm a man who thinks, not a man who drinks, so please let me live my life  
What's mine is mine, I ain't got time  
for rumors in my life  
I'm a man who thinks, not a man who drinks, so please let me live my life  
Will you look at all these rumors  
surroundin' me every day  
I just need some time, some time to get away from  
From all these rumors, I can't take it no more  
My best friend said there's one out now about me and the girl next door  
Look at all these rumors surroundin' me

every day  
I just need some time, some time to get away from  
From all these rumors, I can't take it no more  
My best friend said there's one out now about me and the girl next door  
Stop spreadin' those rumors around  
Stop spreadin' the lies  
Stop spreadin' those rumors around  
Stop (Stop) spreadin' the lies  
Stop spreadin' those rumors around  
Stop spreadin' the lies  
Stop spreadin' those rumors around  
Stop spreadin' the lies  
Stop spreadin' those rumors around  
Stop spreadin' the lies
