

Waiting For the Night

Nelly Furtado

Spoken Interlude before start of song at end of Most Beautiful Thing:

Dear Diary, Only two days of vacation left
It's been the best summer of my life
I can't believe it's almost over
But the good news is there's a street party tonight
One last time everyone will be out
They've put up these beautiful lights all around the village
I've gotten a new dress for it and everything
I keep replaying the last time I saw him over and over again in my head
Hopefully tonight we'll meet again...but until then....Baby I know you're outside
In here it's warm and dry
Got feelings that I gotta try expressing
Like a language that I share with you
Let's talk in the special way we do
Don't want to be anywhere else but here with you
Feels so good Day and night, day and night
You blow my mind, blow my mind
And I can't help, help myself at all
I can't hold back
Day and night, day and night
You blow my mind, blow my mind
And I can't help, help myself from falling
So I'm waiting for the night
Baby I know it's late
We've got decisions to make
Think of what we could create together
And with you I am never afraid
To play with the highest stakes
Nobody could break my rapture
Day and night, day and night
You blow my mind, blow my mind
And I can't help, help myself at all
I can't hold back
Day and night, day and night
You blow my mind, blow my mind
And I can't help, help myself from falling
So I'm waiting for the night
I can't control it in the night night night
It's when I've got you on my mind mind mind

Cuz you're the twinkle in my eye eye eye
I've got to get you in my life
Can't think of nothing worse than being lonely
I think you're the right choice for one and only
We're running out time so baby hold me
Days go by
Day and night, day and night (day and night)
You blow my mind, blow my mind (blow my mind)
And I can't help, help myself at all (I can't help myself at all)
I can't hold back
Day and night, day and night (day and night)
You blow my mind, blow my mind (blow my mind)
And I can't help, help myself from falling (I can't help myself at all)
So I'm waiting for the night
Oooooooh
I'm waiting I'm waiting I'm waiting
I'm waiting I'm waiting I'm waiting
I'm waiting I'm waiting I'm waiting
So I'm waiting for the night
(repeat once)
Yeah I really want to see you yeah I really want to see you tonight (x2)
Don't keep me waiting waiting
Don't keep me waiting for the night (x2)
Waiting for the night (x5)
