

# Suck and Fuck

## Fang

I want it now, I need it in  
Spread your legs and let me stab it in  
Just tell me the truth  
You just fuck this shit  
Let's just suck and fuck  
And tell me that you love  
Call me up and tell me that you love me  
Just call me up and say you want to fuck me  
Just tell me the truth  
Please don't hold a grudge  
Let's just suck and fuck and I'll feel better
