## Gutter Demons

Time can take everything that surrounds you  
You can break from everything that confines you  
Some to trust, look in my eyes  
I will guide you, so I say  
Living to love could remind you  
You can't know follow  
What I say to you, take with you today  
The pressure it brings, alone, alive to know  
What I say to you, take with you today  
You can't take the pain to live to know  
You can't fake  
Everything that reminds you  
How you feel

Time will tell what's inside you  
You can't know follow  
You can't know follow  
What I say to you, take with you today  
The pressure it brings, alone, alive to know  
What I say to you, take with you today  
You can't take the pain to live to know  
What I say to you, take with you today  
The pressure it brings, alone, alive to know  
What I say to you, take with you today  
You can't take the pain to live to know
