Villains (Minoru Rmx)

Mad Caddies

I hear the rumor mill is turning
To try and stop it is a waste of time
Who fucked who will be on the front page
The local air is thick with painted lies
Truth in disguiseWhen you go out, they'll be watching
Eyes on you
I feel them all around
Come tomorrow and they'll all start talking
In this little town
Now watch me drown
Accusations and assumptions
Will fill you up and start to cloud your mind
The room is filled with stagnant conversation
I see right through it with discerning eyes
Beyond the lies
When you go out, they'll be watching
Eyes on you
I feel them all around
Come tomorrow and they'll all start talking
In this little town
Now watch me drownStill my life is all the same!
