

# My Baby Don't Love Me Blues

## The Brian Setzer Orchestra

My baby she don't love me  
She's never thinkin' of me  
I guess I got  
My baby don't love me blues If it's true what I'm thinkin'  
She's on the town  
Slinkin' all around  
My baby don't love me blues Well, if I ever get to China  
I'm gonna dig a hole to Carolina  
I guess I've got  
My baby don't love me blues I never said I didn't need you  
I only said I'd never leave you  
I guess I got  
My baby don't love me blues
