

# Terrifying

## Knoxband

I know you think I'm terrifying  
But honey, I ain't even trying  
I'll cook your dinner while you're waiting  
I'm sure you'll find it's fascinating  
Hey little dog, don't you know  
I got a feeling that you're waiting for your tin of gold  
Oh yeah, baby, baby, don't you know  
You don't need money if you really wanna lose control  
I believe there's a god making my time, baking my bread  
I can see it's a sign think of a rhyme shaking my head  
Oh, I believe there's a god making my time, baking my bread  
I can see it's a sign think of a rhyme shaking my head  
I know you think I'm terrifying  
But honey, I ain't even trying  
I'll cook your dinner while you're waiting  
I'm sure you'll find it's fascinating  
"God bless this stubborn soul", she cried  
He lived a lonely life and died  
Hey little dog, don't you know  
I got a feeling that you're waiting for your tin of gold  
Oh yeah, baby, baby, don't you know  
You don't need money if you really wanna lose control  
You don't need money if you really wanna lose control  
Lose control
