Live to Be Free

Griffin House

Take your hesitation
You can throw it to the wind
The anticipation is killing me againHeres the situation
Theres no easy way around
Whatever you dont know about me, kid
You and I can figure outHow could I go the wrong way?
Taking the easy way out
Oh, baby, dont wait for someday
We can live to be free
We can live to be freeWell, our style of conversation
Shows theres something to reveal
Giving clear communication
In an all or nothing dealHow could I go the wrong way?
Taking the easy way out
Oh, baby, dont wait for someday
We can live to be free
We can live to be freeMaybe you can trust me on a one way road
Knowing there's no going back
Maybe we can bust out of this fear
Taking me out of my ownHow could I go the wrong way?
Taking the easy way out
Oh, baby, dont wait for someday
We can live to be free
We can live to be free
We can live to be free
We can live to be free
