

Just Like a Woman

Old Crow Medicine Show

Nobody feels any pain
Tonight as I stand inside the rain
Everybody knows that baby's got new clothes
But lately I see her ribbons and her bows
Have fallen from her curls
She takes just like a woman, yeah she does
She makes love just like a woman, yeah she does
And she aches just like a woman
But she breaks just like a little girl
Queen Mary, she's my friend
Yes, I believe I'll go see her again
Nobody has to guess that baby can't be blessed
'Til she sees finally that she's like all the rest
With her fog, her amphetamine and her pearls
She takes just like a woman, yes
She makes love just like a woman, yeah, she does
And she aches just like a woman
But she breaks just like a little girl Yeah, it was raining from the first
And I was dying there of thirst
So I came in here
And your long-time curse hurts
But what's worse
Is this pain in here
I can't stay in here
Ain't it clear that
I just can't fit
Yes, I believe it's time for us to quit
But when we meet again, introduced as friends
Please don't let on that you knew me when
I was hungry and it was your world
Ah, you fake just like a woman, yes, you do
You make love just like a woman, yes, you do
Then you ache just like a woman
But ya' break just like a little girl
