Last Chance

Miss Lady Pinks

Now i'm so gone why'd I let you go and brake my heart for so long (miss pinks) Now i'm so gone why'd I let you go and brake my heart for so long (Natalie)from you creeping the lyin the cheatin from you disappearing on me on the weekends boy I'm tired of these games you aint treating me the same you dont do me like you used to (used to) all the drama that we go through (go throuh) boy you had me in a trans (you had your last chance) but its over now you had your last chance...

You used to put a smile to my face Itz Miss Lady Pinks I got something to say you would tell me I was speacial and I was your queen a Lady needs trust cuz you need what I mean.. You had to serve time and I was there by your side accepting your collects and I was down for the ride money in your books court days I never missed long hours in line just to blow you a kiss my love for you was so true and so deep, I missed you so much I cried myself to sleep, my family and my friends warned me all about you but I was blinded by your love I aint trying to be your fool...

from you creepin the lyin the cheatin from you disappearing on me on the weekends boy I'm tired of these games you aint treating me the same you dont do me like you used to (used to) all the drama that we go through (go throuh) boy you had me in a Trans (you had your last chance) but itz over now you had your last chance...

What you did on the side ended up being true all the rumors that I herd I was betrayed by you, you would tell me not to listen they were braking us apart they were hating on us and you would never break my heart, you were quick to apologize I ran back to your side, I gave you one last chance just one last try you would leave on the weekends, you would make me cry new rumors flew around and you were quick to deny. I got tired of the lies and all the games that you played the way I felt about you soon started to change..loving you was so easy letting go was so hard ya no voy a llorar itz time for a new start...

from you creepin the lyin the cheatin from you disappearing on me on the weekends boy I'm tired of these games you aint treating me the same you dont do me like you used to (used to) all the dramma that we go through (go throuh) boy you had me in a trans (you had your last chance) but itz over now you had your last chance...

Boy I tried soo many times to give you what you want, but you lied to me itz over now baby so long..Cuz itz killing me (killing me) to keep moving on (moving on) so itz time that I say goodbye you had your last try itz over..

Now i'm so gone why'd I let you go n brake my heart for so long Now im so gone why'd I let you go and brake my heart for so long from you creepin the lyin the cheatin from you disappearing on me on the weekends (all ladies) boy I'm tired of these games (don't let no one get you down)you aint treating me the same you dont do me like you used to (used to) all the drama that we go through (go throuh) boy you had me in a trans but itz over now you had your last chance..from you creepin the lyin the cheatin from you disappearing on me on the weekends boy I'm tired of these games you aint treating me the same you dont do me like you used to (used to) all the drama that we go through (go throuh) boy you had me in a trans (you had your last chance) but itz over

now you had your last chance...
