

Hold On (Spaceman Remix)

22-20s

Strangers in my backyard
Selling you beliefs
Danger in my empire
Trouble on the streetsAnd I don't want to modernize
And I don't want to rearrange
I don't want to fix up
And I don't want to changeHold on
To the things that you love
Hold on
To the things that you love
Hold onDanger in the papers
Danger in the magazines
Sell you ideas
Sell you false dreamsAnd I don't want to modernize
And I don't want to rearrange
I don't want to fix up
And I don't want to changeHold on
To the things you can feel
Hold on
To the things that are real
Hold onStrangers in my backyard
Selling you beliefs
Danger in my empire
Trouble on the streetsAnd I don't want to modernize
And I don't want to change
I don't want to fix up
I don't want to rearrangeHold on
To the things you feel
Hold on
To the things that are realHold on
To the things that you love
Hold on
To the things that you loveHold on
To the things you believe
Hold on
To the things that you seeHold on
To the one that you love
Hold on

To the one that you love
