

# Wild Girl

[Matt Pond PA](#)

Hey, little wild girl  
I think maybe turned out okay  
The trail was washed up in the rain  
The cops cannot catch us now  
Hey, little wild girl  
By the ocean, dressed in white  
All that's left is your whole life  
All there is, the world is gonna give  
Look out at the sea  
There's your whole life
