Nah Leaving by Denyse Plummer

(Denyse)
They say meh country so stressful,so tense, with race hate, young jail bait ,too much violence!

Gyul pack up and go!Leave sweet Trinbago!I tell them no way(no way)

How de people small minded, macocious and loud, of bobol and scandal, they boastful and proud

Yet, somehow, i see all this foolery.As Window dressing, they still ah blessing!

You see ah just ah Curry-Que,Peas, Rice and Cascadou.Blue Crab and Callaloo, meh neighbour just gimme

(Denyse)
Nah leaving

(BV)
Nah leaving

(Denyse)
Meh navel string so deep, and freedom doh come cheap!

Where else in de world you know Sweet Pan and Calypso??

People just overflow two days in the street

(Denyse)

(Denyse & BV)
Is here wey conceive me, is here ah go dead

(Denyse)
I see a people who creative must overcome

Make magic from old steel,from rusty ole (oil)
So why should i fear,some tears here and there?

I tell them No way

(Denyse)

Camaraderie so special, like natural instinct.
They meet you by de river, is "Come take ah drink"

Outspoken, but kind
No silent but bad mind
So forget New York!

(Denyse & BV)
And all de ole talk

(Denyse)
You see
Ah just drink some Babash Brew

Puncheon Rum and Mountain Dew
Ah hot plate ah pelau too,meh macomere just bring meh
