

Zebra Butt

Zammuto

I have it planned to the last man
While your sitting there, acting like a horses ass
Man, to the 2 to the 3 to the 4 on the floor,
in the store citing caveat emptor
You've got no guts to trust, rest my case
open shut, you're the last one in line
like a zebra butt
To the 6 to the 7 to the 8 to the 9,
feeling great, feeling fine, take the bait I'm like Edison, I have a vision
I don't need your permission
To be a magician,
And now it's never night. And I'm a mason making damns up in your river basin
A cool sensation flooding your foundation
I like making lakes, in the hole where you used to be
It makes me happy Strong like TVA, I let the water out a little at a time
and let it turn my turbine Electric Air Conditioned Summer
Electric Air Conditioned Summer
Listen to your fathers and your mothers
Some are better bets than others
Listen to your sisters and you brothers
And the others
They all have been left behind,
So don't deny, it's high time, to get in line
Like a zed butt Now your on my list, of dead beat recitivists
Living at the back ass end of it.
You should have listened to your mother.
