

# Breathe gentle (feat. Kelly Rowland)

Tiziano Ferro

I want to give you all of me the underneath  
Want you to show me imperfection is actually love  
I thought, cursed I was cursed  
Destined to be lonely  
A circle in a world of squares  
Where nobody knows me  
So with every footstep I must  
Follow the kissing moments  
I thought were impossible  
Breathe gentle, be gentle  
Don't leave me behind  
'Cause love goes faster  
Breathe gentle, be gentle  
Never let me go when love goes faster  
I will be gentleSee, photographs have only two dimensions  
But love defies all logic in a picture  
Above all that is physical, I'm falling  
Falling uncontrollably it terrifies me  
So if my compass, it fails me  
And I feel I'm walking blind  
Don't say goodbye  
Don't let me hide  
Oh please don't let me spiral  
Tortured by you, oh, sweet torture!  
I am a pirate love my fortune  
The walls have fallen now  
The key is yours to turn I'm breathing  
Breathe gentle, be gentle  
Don't leave me behind  
'Cause love goes faster  
Breathe gentle, be gentle  
Never let me go when love goes faster  
I will be gentleEvery time I run somehow love is faster  
Without your loneliness is everlasting  
I still feel you  
But I hear you loudly  
Screaming please wait for me  
'Cause I don't want to hurt you  
And I don't want to loose this love this timeSe cerco lo vedo

L'amore va veloce e tu stai indietro  
Se cerchi mi vedi Il bene piÃ¹ segreto  
Sfugge all'uomo che non guarda avanti mai
