Silence

Diamond Head

When the seas kiss the stars
And the moon dulls the light
And your veins turn to dust
Then behold the night when
You sacrificed your flameOh human disgraceFor man this is the end
Silence reclaim your land
For man this is the end
Silence reclaim your land
When the breeze cries with pain
Bludgeoned tears pierce the sands
Hear the bells ringing out
And recall the days when you
Dug children's graves in regretOh human disgraceFor man this is the end
Silence reclaim your land
For man this is the end
Silence reclaim your land
Once the end
All reclaimed
In silence
We ring the end
