

One Thing

Finger Eleven

Restless tonight
'Cause I wasted the light
Between both these times
I drew a really thin lineIts nothing I planned
And not that I can
But you should be mine
Across that lineIf I traded it all, if I gave it all away
For one thing, just for one thing
If I sorted it out, if I knew all about
This one thing wouldnt that be somethingI promise I might
Not walk on by
Maybe next time
But not this timeEven though I know
I dont want to know
Yeah, I guess I know
I just hate how it soundsIf I traded it all, if I gave it all away
For one thing, just for one thing
If I sorted it out, if I knew all about
This one thing wouldnt that be somethingIf I traded it all, if I gave it all away
For one thing, just for one thing
If I sorted it out, if I knew all about
This one thing wouldnt that be somethingEven though I know
I dont want to know
Yeah, I guess I know
I just hate how it soundsEven though I know
I dont want to know
Yeah, I guess I know
I just hate how it soundsIf I traded it all, if I gave it all away
For one thing, just for one thing
If I sorted it out, if I knew all about
This one thing wouldnt that be somethingIf I traded it all, if I gave it all away
For one thing, just for one thing
If I sorted it out, if I knew all about
This one thing wouldnt that be somethingIf I traded it all, if I gave it all away
For one thing, just for one thing
If I sorted it out, if I knew all about
This one thing wouldnt that be somethingIf I traded it all, if I gave it all away
For one thing, just for one thing
If I sorted it out, if I knew all about

This one thing wouldnt that be something
