

You

Boytronic

You!

You are full of wonder

Of miracles I see

You!

Emotions getting stronger

Why don't you feel like me? I feel it every second

My heart becomes your name

I'm searching for an answer

Why don't you feel the same? You!

Looking for a lover

A man I want to be

You!

Need someone to hold on

Why don't you look at me? I feel it every second

My heart becomes your name

I'm searching for an answer

Why don't you feel the same?
