My Dream

The Platters

My dream
Is a wondrous dream
It's the answer too
Wanting only youMy dream
Is a true delight
My escape at night
From a world that's blueThe world we know
Seems so far away
And where we go
Is for us to sayMy Dream
Is a wealth of joy
No one can destroy
When I dream my dreamIt's no common dream
It's a wondrous dream
Dream
