One

RIP SLYME

One is the loneliest number
That you'll ever do two can be as bad as one
It's the loneliest number since the number oneNo is the saddest experience you'll ever know
Yes it's the saddest experience you'll ever know
Because one is the loneliest number that you'll ever do
One is the loneliest number that you'll ever knowIt's just no good anymore
Since you went away
Now I spend my time
Just making rhymes of yesterdayBecause one is the loneliest number
That you'll ever do
One is the loneliest number
That you'll ever knowOne is the loneliest number
One is the loneliest number
One is the loneliest number
That you'll ever do
One is the loneliest number
Much, much worse than twoOne is the number divided by two
One is the loneliest number
