

One

RIP SLYME

One is the loneliest number
That you'll ever do two can be as bad as one
It's the loneliest number since the number one
No is the saddest experience you'll ever know
Yes it's the saddest experience you'll ever know
Because one is the loneliest number that you'll ever do
One is the loneliest number that you'll ever know
It's just no good anymore
Since you went away
Now I spend my time
Just making rhymes of yesterday
Because one is the loneliest number
That you'll ever do
One is the loneliest number
That you'll ever know
One is the loneliest number
One is the loneliest number
That you'll ever do
One is the loneliest number
Much, much worse than two
One is the number divided by two
One is the loneliest number
