

Undo (feat. Jeremih & Tory Lanez)

RL Grime

[Intro: Jeremih]

Undo me baby[Chorus: Jeremih]

Undo that roof, undo that dress

Undo that coop, I'll do the rest

Uh, uh, uh, undo me baby

Uh, uh, uh, undo me baby[Verse 1: Jeremih]

Got her off the moon and now she taking jewels

Says she wanna party like we in the hills

Baby, I want you to fuck me like you never did

And look in the glass for me, look in the glass for me, woah

Jump in the coupe, play with them bands like [?]

Also we doin' no talking, got enough bands to pay off the cops

I wanna give it to you, I wanna tickle that box

I'm on the PCH, switchin' lanes, get top with no top

[Chorus: Jeremih]

Undo that roof, undo that dress

Undo that coop, I'll do the rest

Uh, uh, uh, undo me baby

Uh, uh, uh, undo me baby[Drop]

Undo me baby[Verse 2: Tory Lanez]

Undo me baby, undo me baby

Tonight, I don't want [?], I don't usually, baby

Come do me baby, it's too amazing

I'll keep it on the hush as long as you won't say shit

She wanna fuck, I might just lick and tick it and touch it and treat it like she was the blunt

I get in back of that body like I was never tryna be in the front

I know that it's never enough

When I'm puttin' the weed and the blunt and the green and the cup, and I'm open, you fuckin'?

[Bridge: Tory Lanez]

Oh, oh, oh, no

Undo me baby, yeah[Drop: Jeremih]

Undo me baby

Undo me baby

Undo me baby

Uh, uh, uh

Undo me baby

Uh, uh, uh

Undo me baby

Uh, uh, uh

Undo me baby

Uh, uh, uh

Undo me baby

Undo me baby
