Love This Reggae Music

Steel Pulse

Reggae music is my favourite feeling
It keeps me rocking to and fro
And anytime I get that feeling
I want the whole wide world to knowI know we paid the price
But when you feel the vibes
You won't think twice
Cause I know we can make it
This music is love so come and take itThis happy feeling
Is a gift from God I know
Hear the sound and let it flow
Rock to the beat
Hold the groove and don't let it go
Cause no matter what happens
We've got to stay aliveCHORUS
Love this Reggae music
Sweet as anything I know
Love this Reggae music
Never ever let me go
Love this roots rock feeling
Sweet as anything I know
Love this roots rock feeling
Never ever let me goSo check out this vibration
Cos it's such a sweet sensation
It gives me inspiration
And it don't need no contemplationoh
Ooh yeah
