

Gutter (Blank & Jones Radio Edit)

Medina

I used to be a beggar
A beggar for your love
Till you used and abandoned me
This time I had enough Remember when you showed up at my place
The way you just pushed me to the floor
Remember when you spat in my face
And later came knocking on my door You left me in the gutter, gutter, gutter
You left me in the gutter, gutter,
You left me in the gutter, gutter, gutter
Left me in the gutter You've become a beggar
But I'm not gonna let you in
What make you even think I will
Consider this again Remember how you told me you hate
The way that I am, the way I speak
Remember that I'm the one you blame
For everything that makes you weak You left me in the gutter, gutter, gutter
You left me in the gutter, gutter,
You left me in the gutter, gutter,
You left me in the gutter, gutter, gutter If you are falling
I'm not gon' catch you
When you come crying
I'm not gon' dry your tears
If you were dying
I wouldn't save you I'll leave you in the gutter, gutter, gutter
I'll leave you in the gutter, gutter
I'll leave you in the gutter, gutter, gutter
I'll leave you in the gutter, gutter, gutter I will leave you in the gutter
I will leave you in the gutter
Like you left me
I will leave you in the gutter
I will leave you in the gutter
Like you left me
