Much Better

Jonas Brothers

Get a rep for breakin' hearts
Now I'm done with super stars
And all the tears on her guitar
I'm not bitter
Now I see everything I'd ever need
Is the girl in front of me
She's much better
You, I wanna fight with you
Tear up the sky with you
You're much better
You, I wanna fight with you
Make up tonight with you
You're much better
Now I've got some enemies
And they're all friends suddenly
BFF's eternally but I'm not bitter
I believe that the road that people lead
Helps you find the one you need
You're much better
You, I wanna fight with you
Tear up the sky with you
You're much better, you're much better, girl
You, I wanna fight with you
Make up tonight with you
You're much better, ooh, yeah
You, I wanna fight with you
Tear up the sky with you
Oh, you're much better
You, I wanna fight with you
Make up tonight with you
Oh, you're much better, you're much better, girl
Ooh, yeah
You, you, I wanna fight with you, oh
Much better
You're much better, girl
You, you, you
Much better
You, you, you
