

# Spirits In The Material World

## The Police

There is no political solution  
To our troubled evolution  
Have no faith in constitution  
There is no bloody revolution We are spirits in the material world  
Are spirits in the material world  
Are spirits in the material world  
Are spirits in the material world Our so-called leaders speak  
With words, they try to jail you  
They subjugate the meek  
But it's the rhetoric of failure We are spirits in the material world  
Are spirits in the material world  
Are spirits in the material world  
Are spirits in the material world Where does the answer lie?  
Living from day to day  
If it's something we can't buy  
There must be another way We are spirits in the material world  
Are spirits in the material world  
Are spirits in the material world  
Are spirits in the material world Are spirits in the material world  
Are spirits in the material world  
Are spirits in the material world  
Are spirits in the material world
