

Counting Every Minute

Foreigner

Gonna break these chains
Gonna set myself free
Gonna turn on the mains
Feel the power inside of meGonna burn all night
Gonna burn all day
You'll see me coming, baby
From miles awayFeel me in the air
Feel me all around you
Gonna show you how I care
Teach you something newGonna take my time
Make love to you
Yeah, I know I can satisfy you
That's what I intend to doAnd now, I'm counting every minute
Every single minute
I'm calling for you, honey
Come and get it while it's hotCounting every minute
Oh, I'm living in it
I'll make every minute count
Give it everything I've gotFeel me getting closer
Yeah, I'm almost there
Can you feel my fingers
Running through your hair?Can you feel my hands
Draw you closer to me?
Can you hear that clock tick, tick, ticking, baby?
I'll soon be there to set you freeI'm counting every minute
Every single minute
Don't fool around
Come and get it while it's hotCounting every minute
Oh, I'm living in it
I'll make every minute count
Give it everything I've gotCounting every minute
Every single minute
I'm calling for you, honey
Come and get it while it's hotCounting every minute
Oh, I'm gonna give it
And I'll give it to you honey
I'll give you everything I've gotYeah, I'm counting every minute
Every single minute
Don't fool around

Come and get it while it's hot
Counting every minute
Baby don't be timid
I'll make every minute count
Give it everything I've got
Counting every minute, oh, oh, oh, oh
Counting every minute, oh, oh, oh, yeah
Counting every minute, oh, oh, oh, oh
I'm calling for you honey
Come and get it while it's hot
I'm counting every minute
Every single minute
I'm waiting for you baby
I'm counting every minute
Give you everything I've got
Counting every minute
I'm counting every minute
Every single minute
Yeah, I'm counting every minute
