

# Mope

## Bloodhound Gang

We gonna drop this next bomb  
For a money makin' playa that ain't with us no mo'  
Yeah, Notorious B.I.G.  
Hell no, we gonna do this  
For a gangbangin' thug that never seen it comin'  
Yeah, Tupac Shakur  
Nah bitch, I'm talkin' 'bout  
Motherfuckin' Falco and shit  
What? Falco?  
Ooh, rock me, Amadeus, ooh, rock me, Amadeus  
Ooh, rock me, Amadeus, ooh, rock me, Amadeus  
Ooh, rock me, Amadeus, ooh, rock me, Amadeus  
Ooh, rock me, Amadeus, ooh, rock me, Amadeus  
Ooh, rock me, Amadeus  
Tried to OD on the Cold-Eeze  
'Golden Girls' got me 'Sweatin' To The Oldies'  
Hanging out like Double Ds sip Long Island Iced Teas  
Wrote to Mayor McCheese "Send a Shamrock Shake please"  
Three o' clock on the dot, time to cruise for eighth graders  
Rather tape the Weather Channel so that I can watch it later  
Reruns of reruns, so what's happenin'?  
Dee's knocked up and Rog on crack again  
Deep throat a whole Nutty Buddy  
Make whoopie to a batch of Silly Putty  
Make a Spam and Colgate sandwich and ate it  
Go through "National Geographic" and draw panties on the natives  
So I like to dance naked in front of my pets  
But my cat was inattentive so I sent him U.P.S.  
Playin' 'spin the bottle' with my mom  
I watch "Cops" with no pants on  
Must've blown a fuse nothing going on  
Lamer than the Pope, climb the walls like King Kong  
Buggin' out like Tori Spelling's eyes  
Deader than the parents on a 'Party of Five'  
Luciano Pavarotti on a treadmill  
Not going nowhere, slim chance we will  
Less hip than Bo Jackson, bored like wood  
Dick around like 'Frankie Goes To Hollywood'  
Relax, don't do it, when you wanna go to it

Relax, don't do it, when you wanna come  
Relax, don't do it, when you wanna go to it  
Relax, don't do it, when you wanna come  
Nowhere to go, I can't wake up late  
Just sit around and wait for my Old Spice to activate  
Stalemate, jailbait in 'My So-Called Life' imprisonment  
Amazing what a good breakfast pickles make, isn't it?  
I like to pretend I'm speed reading  
Never lose the sight of the thrill of sneezing  
Don't need a shower today, just some Brut by Faberge  
Smell the ass of my jeans, clean, they'll do another day  
And I recycle, I sniff my own farts  
I dial the wrong number, hope a conversation starts  
I mean I might as well be listenin' to Journey  
Givin' myself a mullet hook the Flowbee to the Kirby  
Make a prank call pretendin' I'm a mime  
Get stuck in traffic just to pass the time  
Sent a letter in the mail in Braille to Johnny Quest  
Send me back my Etch-A-Sketch  
Must've blown a fuse, nothing's going on  
Lamer than the Pope, climb the walls like King Kong  
Buggin' out like Tori Spelling's eyes  
Deader than the parents on a 'Party of Five'  
Luciano Pavarotti on a treadmill  
Not going nowhere, slim chance we will  
Less hip than Bo Jackson, bored like wood  
Dick around like Frankie Goes To Hollywood  
Relax, don't do it, when you wanna go to it  
Relax, don't do it, when you wanna come  
Relax, don't do it, when you wanna go to it  
Relax, don't do it, when you wanna come  
I'm mighty tighty whitey and I'm smugglin' plums  
When you wanna cum  
I'm mighty tighty whitey and I'm smugglin' plums  
When you wanna cum  
I'm mighty tighty whitey and I'm smugglin' plums  
When you wanna cum  
I'm mighty tighty whitey and I'm smugglin' plums  
When you wanna cum  
Yo yo yo yo yo! What it is, motherfuckers?  
Aww shit, here comes Pac-Man  
Hey Pac-Man, what's up?  
Me, you bitches, I'm high on crack, wanna freebase?  
No Pac-Man, drugs are bad, nope, can't help you man  
Pussies, whoa, holy shit!

Must've blown a fuse, nothing's going on  
Lamer than the Pope, climb the walls like King Kong  
Buggin' out like Tori Spelling's eyes  
Deader than the parents on a 'Party of Five'  
Luciano Pavoratti on a treadmill  
Not going nowhere, slim chance we will  
Less hip than Bo Jackson, bored like wood  
Dick around like Frankie Goes To Hollywood  
Relax, don't do it, when you wanna go to it  
Relax, don't do it, when you wanna come  
Relax, don't do it, when you wanna go to it  
Relax, don't do it, when you wanna cum  
Holy macaroni, holy macaroni  
Holy macaroni, holy macaroni  
Holy macaroni, holy macaroni  
Holy macaroni, holy macaroni
