

Fly

Hilary Duff

Any moment everything can change
Feel the wind on your shoulder
For a minute all the world can wait
Let go of your yesterday Can you hear it calling?
Can you feel it in your soul?
Can you trust it's longing
And take control? Fly, open up the part of you that wants to hide away
And you can shine, forget about the reasons
Why you can't in life and start to try
'Cause it's your time, time to fly All your worries, leave them somewhere else
Find a dream you can follow
Reach for something when there's nothing left
And the world's feeling hollow Can you hear it calling?
Can you feel it in your soul?
Can you trust it's longing
And take control? Fly, open up the part of you that wants to hide away
And you can shine, forget about the reasons
Why you can't in life and start to try
'Cause it's your time, time to fly And when you're down and feel alone
Just want to run away
Trust yourself and don't give up
You know you're better than anyone else Any moment everything can change
Feel the wind on your shoulder
For a minute all the world can wait
Let go of yesterday Fly, open up the part of you that wants to hide away
And you can shine, forget about the reasons
Why you can't in life and start to try Fly, forget about the reasons
Why you can't in life and start to try
'Cause it's your time, time to fly Any moment everything can change
