

# Money Can't Buy

## Dappy

sold out like a hundred shows  
All I ever wanted came true so fast  
First class and videos  
All my dreams turned to reality But how will long will they last  
Cuz I don't need to worry bout' the rent no more  
I don't need to struggle like I did before  
But for you but for you, I'll give it up I'll give it up Ohhhhhh I'm falling in, falling in love  
Take my car take my wallet  
Cuz there ain't nothing like it  
And money ain't gon' buy it  
Ohhhhhh I'm falling in, falling in love  
Take my house take my keys  
Cuz there ain't nothing like it  
And money ain't gon' buy it In my eyes your heart  
Is something that will never be replaced  
Even though it's pure cold it's still invulnerable  
But imma make it secure and hope it lasts So for now  
You don't need to worry bout' the rent no more  
You don't need to struggle like you did before  
But for you but for you, I'll give it all I'll give it all Ohhhhhh I'm falling in, falling in love  
Take my car take my wallet  
Cuz there ain't nothing like it  
And money ain't gon' buy it  
Ohhhhhh I'm falling in, falling in love  
Take my house take my keys  
Cuz there ain't nothing like it  
And money ain't gon' buy it So you don't need to feel nervous  
Whenever my phone be out of your service  
I don't do this shit intentionally  
But you always think its on purpose  
This happens every time that I'm leaving  
I can't be late for one more meeting  
I should be tryna' catch my nine o'clock flight  
But instead I'm still here catching nothing but feelings  
So as long as we're in night  
And we can be stranded on an island  
For you I've done it in all my blood  
So it's only right you're always covered in diamonds  
Now just take it all

Cuz I'm feeling some type of way  
Take it all, till I run out of things to say  
Ayyyyyyyyyy eahhhhhhhhhhh Ohhhhh I'm falling in, falling in love  
Take my car take my wallet  
Cuz there ain't nothing like it  
And money ain't gon' buy it  
Ohhhhh I'm falling in, falling in love  
Take my house take my keys  
Cuz there ain't nothing like it  
And money ain't gon' buy it
