Over and Over

Three Days Grace

I feel it everyday, it's all the same
It brings me down but I'm the one to blame
I've tried everything to get awaySo here I go again
Chasing you down again
Why do I do this?Over and over, over and over
I fall for you
Over and over, over and over
I try not toIt feels like everyday stays the same
It's dragging me down
And I can't pull awaySo here I go again
Chasing you down again
Why do I do this?Over and over, over and over
I fall for you
Over and over, over and over
I try not toOver and over, over and over
You make me fall for you
Over and over, over and over
You don't even trySo many thoughts that I can't get out of my head
I try to live without you, every time I do I feel dead
I know what's best for me but I want you instead
I'll keep on wasting all my timeOver and over, over and over
I fall for you
Over and over, over and over
I try not toOver and over, over and over
You make me fall for you
Over and over, over and over
You don't even try to
