

Champagne Music (feat. Snipe)

Daforce

Champagne Musicoh yeaaa a yeaaaaaa

What u talking bout what u talking bout u dont know what the games about
Lovers musicRapWe call this champagne music, just for you and a girl to cruise wit, candle
light dinners wit u in the center, you loved her from the first day u met hur
your highschool love down wit you through push and shove, when you
was sweet when you was thug, hot headed and smug and when you thought
that you was untouchable cuz your life was null, wasnt like the huxstable
must keep your girl tight like last night yo thats right now thats why you in da
club wit a next in the corner and you sweat get in my car like billy ocean
feel this love potion thats devotion, hanging wit dem b players, forget the haters
getting pound from the money makers str8 up career shakers. ahhh huhChorusChampagne music is what we
doing, champagne music

Champagne music is what its all about

Champagne music is what we doing, champagne music

Champagne music is what its all aboutRapLay your head back type of music you got problems so break thru it
dim the lights in the limo tell dem chicks come on, yall just chill
are you willing im taking over like your favorite villian, romantic
fantasy island large like the atlantic, just slowly move to the music
don't yall lose it, or refuse to get mellow hear the melody over drums
and chello's, like it or not your hot wet up the spot like a 1000 watts
breakdown to a tank top, on the 4th floor its none stop, call this bubbly
music something to drop clues wit and get your game face on, spitting
poetry and please stay strong cuz its time to represent, reflect back
how your night was spentChorusChampagne music is what we doing, champagne music

Champagne music is what its all about

Champagne music is what we doing, champagne music

Champagne music is what its all aboutRapAre you in the lovers lane, or did you catch your chick with another
man

calling richie to sing hello we ready bro for the next blow keep palm
sweat in your palm do be alarm, reflect back and hold the tech back
don't let that ruin your life put your head back, champagne love
releases pain walking the streets in the pooring rain, remember its all
a game, we all hate losing can't get lost in the confusion, its like the
worst intrusion find a next and start cruisingChorusChampagne music is what we doing, champagne music

Champagne music is what its all about

Champagne music is what we doing, champagne music

Champagne music is what its all aboutWhat u talking bout ,, what u talking bout,,, what u talking bout
u dont know what the games about
