True Colours

Studio Killers

I see your true colours shining through
I see your true colours that's why I love you
So don't be afraid to let them show
Your true colours, true colours shining through
You with the sad eyes, don't be discouraged
Oh, I realize it's hard to take courage
In a world full of people, you can lose sight of it all
And the darkness inside you makes you feel so small
But I see your true colours shining through
I see your true colours and that's why I love you
So don't be afraid to let them show
Your true colours, true colours are beautiful
Like a rainbow
So sad eyes take courage now and realize
When this world makes you crazy
And you've taken all you can bear
Just call me up because you know I'll be there
And I see your true colours shining through
I see your colours and that's why I love you
So don't be afraid to let them show
Your true colours, true colours are beautiful
Oh, like a rainbow
You're beautiful, you're beautiful
Your true colours are beautiful
Like a rainbow
