Rhythm Of The Night

Debarge

When it feels like the world is on your shoulders
And all of the madness has got you going crazy
It's time to get out step out into the street
Where all of the action is right there at your feetWell I know a place where we can dance all night away
Underneath electric stars
Just come with me and we can shake your blues right away
You'll be doing fine when the music startsTo the beat of the rhythm of the night
Dance until the morning light
Forget about the worries on your mind
You can leave them all behind
To the beat of the rhythm of the night
Oh the rhythm of the night, oh yeahLook out on the street now the party's just beginning
The music's playing a celebration's starting
Under the street lights the scene is being set
A night for romance a night you won't forgetSo come join the fun this ain't no time to be staying home
Oh there's too much going on
Tonight is gonna be a night like you've never known
We're gonna have a good time the whole night longTo the beat of the rhythm of the night
Dance until the morning light
Forget about the worries on your mind
You can leave them all behind
To the beat of the rhythm of the night
Oh the rhythm of the night ohTo the beat of the rhythm of the night
To the beat of the rhythm of the nightSo come join the fun this ain't no time to be staying home
Oh there's too much going on
Tonight is gonna be a night like you've never known
We're gonna have a good time the whole night longTo the beat of the rhythm of the night
Dance until the morning light
Forget about the worries on your mind
You can leave them all behindTo the beat of the rhythm of the night
Dance until the morning light
Forget about the worries on your mindTo the beat of the rhythm of the night
Forget about the worries on your mind
To the beat of the rhythm of the night
Forget about the worries on your mind
To the beat of the rhythm of the night
Forget about the worries on your mind
