[T-Pain]Nappy Boy!
[Asia Cruise (T-Pain) {Yung Joc}]Hey, yeah (Hey)
Hey, yeah (Yeah)
(Ooh, yeah)
(Ooh, yeah)
Oh-ooh, oh-ooh
Oh, no, no
Oh-ooh, oh-ooh
Oh, no, no {Okay} Yeah {Uh, Yung Joc}
[Yung Joc]I know just what you like
You say the swagger's nice
Tell your boyfriend take a hike
Put them bug-a-boos on ice
Hop in the whip, feel them pipes
Take a little trip through the city at night
Like, don't stop, get it, get it
Guaranteed to f*** you right
I can get you what you like
What you sippin'? Put it on ice
I insist 'cause you entice
I can flick my wrist and put your wrist on ice (Yung Joc)
[Asia Cruise]Baby, I think it's time I tell you the truth, mmm, hey
'Cause I think I'm in love with your swagger and not you
'Cause the way you walk and talk is so provacative, boo
And I'm elated when I'm in your Mercedes and that's cool
[Asia Cruise (T-Pain)]But it's safe to say I think I'm in love with the things that you got, yeah
That's what makes you hot, not you
And I don't mean to be mean but that seems to be the truth
I think I'm in love with your swagger (Ooh, yeah)
Your swagger (Yeah)

Your swagger (Ooh)
Your swagger, hey, hey
[Asia Cruise]I'm not saying that I'm telling you lies
'Cause I got love for you but I'm in love with the things you drive
'Cause all of your clothes are so fly but when you go by you don't look so fly in 'em
But, baby, if you go buy new rims for your ride, I will gladly slide up in it
[Asia Cruise (T-Pain) {Yung Joc}]Because I think I'm in love with the things that you got, yeah

That's what makes you hot, not you
And I don't mean to be mean but that seems to be the truth {Okay, uh}
I think I'm in love with your swagger
[Yung Joc]Hold up, cut this music, you mean that all this while
I been thinking you love me but it's more like my d**** style?
You love my lavish habits? My large bank account?
Somebody dial 9-1-1, like Chris Brown, I'm about to take her down
Just kidding, but you really can't blame her
I'm black, young, rich and famous
Look, I'm down to earth unlike these other entertainers
My daddy raised a G
My mama prayed for me
Now I'm hopping on and off the PJ just to get me from A to B
Hate to say it but they hate to see the way chicks gravitate to me
Snap my fingers, bring that cake to me
Number one, they can't wait to be like, don't stop, get it, get it
If you want it, come and get it
Tell you what you wanna hear
Throw them deuces up out of here
[Asia Cruise (T-Pain) {Asia Cruise ad libs}]But it's safe to say I think I'm in love with the things that you got, yeah
That's what makes you hot, not you {Not you, mean to be mean}
And I don't mean to be mean but that seems to be the truth {The truth, yeah}
I think I'm in love with your swagger {With your swagger} (Ooh, yeah)
{Yeah, yeah} Your swagger {Oooh, oh}
Your swagger (Ooh)
Your swagger (Mmmm, hey, hey)
