

# Figure It Out (Europa Plus Pop Rock)

## Royal Blood

Nothing here to see  
Just a kid like me  
Trying to cuss and see  
Trying to figure it outNothing better to do  
When I'm stuck on you  
And still I'm here  
Trying to figure it outGetting hard to sleep  
But it is in my dreams  
But it's killing me  
To try and figure it outNothing better to do  
When I'm stuck on you  
And still I'm here  
Trying to figure it outI'll let it go 'cause I won't see you later  
And I'm not allowed to talk it out  
I said I'll come, I'll promise I won't show  
But I see you trying to figure it out  
I promise you, I'll take a bet on you  
But you didn't know I planned it out  
I said I'll go, yeah, I won't see you later  
And I'm not allowed to figure it outNothing here to see  
Just a kid like me  
Trying to cuss and see  
Trying to figure it outNothing better to do  
When I'm stuck on you  
And still I'm here  
Trying to figure it outI'll let it go 'cause I won't see you later  
And I'm not allowed to talk it out  
I said I'll come, I'll promise I won't show  
But I see you trying to figure it out  
I promise you, I'll take a bet on you  
But you didn't know I planned it out  
I said I'll go, yeah, I won't see you later  
And I'm not allowed to figure it out
