# Hushaby

## Lou Doillon

Take my hand,
We'll travel around and around,
And you don't have to,
Say a thing, just listen to me darling,
Close your eyes,
I'm here yes right by your side,
And I'll catch you if you fall,
I'll take care of it all,
For you boy, this hushaby,Let me drive,
I long to take you for a ride,
And you taught me how,
But it's my turn it's my turn now,
Keep your smile,
You'll be out of this mess in a while,
And I'll take care of it all,
I'll catch you if you fall,
For you boy, this hushabyTake my hand,
And please don't hide, when you're down,
Close your eyes,
I'm here yes just by your side,
And I'll take care of it all,
I'll catch you if you fall,
For you boy, this hushaby
