

StarShine (Steven Lorenz Remix)

Gorillaz

Starshine
when you gonna find me?
Starshine
they ain't gonna find me
Starshine
when you gonna find me?
Starshine
never gonna find meStand easy with myself, oh, with myself
Jumping up, I'm low, low, low, low
Show me down
Starshine
when you gonna find me?
Starshine
they ain't gonna find me
Starshine
when you gonna find me?
Starshine
never gonna find me
