

Angel

Pharrell Williams

I know why niggas see what I see in you, girl
You bad girl
(Yeah, yeah)She got an ass like loaf of bread, you wanna a slice
She's the girl you can take home to mother
But she dont want ya bread, brother, ya betta think twice
(Twice)
See, ya can see the heat, I will be her bottleShe's an angel
(She's the girl, I want to share my dreams)
She's an angel
(I don't care if she can't fly over things)She's an angel
(I dont care if ya can't see her wings)
Watch her fly
(Yeah, oh-oh)She's in my dreams when I sleep
(Yeah, yeah)
When I wake she's gone, so I weep
(Yeah, yeah)She's an angel
(She's the girl, I want to share my dreams)
She's an angel
(I don't care if she can't fly over things)She's an angel
(I dont care if ya can't see her wings)
Watch her fly
(Yeah, oh-oh)"Hello, yeah mom, I love you too
I'm just nervous about this girl
What do you think I should do?
I'm talking to her, I'm here with her dad
You sure? I'm, do it now"Ding, dong, father
Can she hang with me tonight to go to the mall?
(Whoa, oh)
I won't touch the girl within your sight
Dont you see at allShe's an angel
(She's the girl, I want to share my dreams)
She's an angel
(I don't care if she can't fly over things)She's an angel
(I dont care if ya can't see her wings)
Watch her fly
(Yeah, oh-oh)
