Forever (Remastered 2016)

Stratovarius

I stand alone in the darkness, the winter of my life came so fast
Memories go back to childhood today I still recall
Oh how happy I was then, there was no sorrow, there was no pain
Walking through the green fields, sunshine's in my eyesI'm still there everywhere, I'm the dust in the wind
I'm the star in the Northern sky
I never stayed anywhere, I'm the wind in the trees
Would you wait for me forever ?Oh yeah, oh yeahI'm still there everywhere, I'm the dust in the wind
I'm the star in the northern sky
I never stayed anywhere, I'm the wind in the trees
Would you wait for me forever?
