Ozone

Bames

I'm the kind of guy who likes feelin' high
Feelin' high and dry, and I really like to fly
I'm your kinda guy, girl, I'm not too shy
And I want you to fly, so I think you oughta try
Ozone, ozone
Ozone, ozone
I'm your kinda guy and I'm not too shy
Feelin' high and dry and I want you to be mine
So I think it's time, girl, to start feeling fine
Feeling good all the time, so I think you oughta try
Ozone, ozone
Ozone, ozone
Now I'm the kinda guy who likes getting high
Getting high and dry and I do it all the time
If you think it's a crime and you don't wanna try
Something that'll make you high, then I think I'll say goodbye
'Cause I'm the kind of guy who likes getting high
Getting high and dry and I do it all the time
Now I'm much too high, I am high and dry
And I'm feelin' fine, I'm feelin' good all of the time
