

# Hot Water

## Big Sandy

Tell me something  
Why do I always find it hard just to get along?  
Try my best for nothing  
Every little thing I do is wrong Feel it in my brain, driving me insane  
Round and round, the same old tune  
Daddy's on the phone, you know you're not alone  
Turn that down and clean up your room Sons and daughters  
(Don't fall in)  
In hot water  
Sons and daughters  
(They don't, they don't, they don't do)  
What they oughta? Tell you something  
(Now)  
(What?)  
Music is the key to set me free  
To the beat I'm jumping  
(On the street)  
Forgetting all the things they said 'bout me Here it comes again, chugging like a train  
Round and round, an impeccable groove  
I know it's getting late but I won't hesitate  
Can't slow down, got to do what I do Sons and daughters  
(Always in)  
In hot water Wasting time  
Is a crime in their eyes  
But I'm still young  
So much time to decide, what to do I don't need confirmation  
For my boyhood extrapolation  
Though I'm not sure of my direction  
I have the groove for my protection Here it comes again, chugging like a train  
Round and round, an impeccable groove  
I know it's getting late but I won't hesitate  
Can't slow down, got to do what I do Sons and daughters  
(Don't fall in)  
In hot water  
(When they fall by the way)  
Sons and daughters  
(They don't do)  
What they oughta?
