Good Woman - Good To Me (feat. Will Chase)

Nashville Cast

Yeah!She knows the secrets of the wind.
She knows the music of the stars.
She knows the way that I got here.
Runs through the alleys and bars.She's a good woman.
Good woman.
She's a good woman.
She's good to me.She ain't affecting my money.
She says it doesn't exist.
She says we can't argue with the way of the future
And then she blows me a kiss.She's a good woman.
Good woman.
She's a goo woman.
She's good to me.She says she doesn't want to change me.
Likes me the way that I am.
Says she don't want me to be something I'm not.
Some kind of measurable sham.She likes to sleep with me naked.
Her passion matches her wit.
I guess you know who's really running the show.
She's got them legs that won't quit.Oh!She's a good woman.
Good woman.
She's a good woman.
She's good to me.She's a good woman.
And she's good to me.
