

In Winter

Kittie

You fell to the ground
Like rain
On deaf ears your cries met
Hands and knees were blistered

Standing from the tallest tree
Declared wrong
But they never listen
There's safety in numbers

THIS COLD HEARTED WORLD!
COLD HEARTED WORLD!
THIS COLD HEARTED WORLD!
COLD HEARTED WORLD!

The coldest winter
The coldest winter

You don't see me like I know you
Hiding behind glass
So sickeed by greif

You can't let them win
They'll have you
Playing life makes death
So good

IT'S A COLD HEARTED WORLD!
COLD HEARTED WORLD!
IT'S A COLD HEARTED WORLD!
COLD HEARTED WORLD!

The coldest winter
The coldest winter

You don't know
You don't know
You don't know
You don't know
AND YOU NEVER WILL!
