Preconceived Notions

Element 101

I decided that if I could
Do things on my own then I'd be fine
I woke up everyday
In the pursuit of my own happinessEvery night I fell asleep
Unsatisfied throughout the day
When I closed my eyes
I said, "Tomorrow is another day"When will I learn I can't do a thing
Nothing at all on my own
There is so much more in store for me
Than what I can makeSo now I'm evaluating what
Exactly I have done
I know that there is so much
More that I wanted to becomeAll I know is that I'm changing
Every second, every day
But there is the truth that
Is the same as it was yesterdayWhen will I learn that I can't do a thing
Nothing at all on my own
There is so much more in store for me
Than what I can makeEvery time I close my eyes
I see how it should be
Only things are going differentlyWhen will I learn that I can't do a thing
Nothing at all on my own
There is so much more in store for me
Than what I can make on my own
